Storage	
Put the cup in a clean storage bag or a clean environment. It is important that all residual moisture dries. Do not store in an airtight container/bag.	
How to use	
It is recommended that the mother performs her first feeding(s) with the Baby Cup under the supervision of a professional/trained staff. <p>I Wash your hands thoroughly with water and soap before touching the cup. Dry your hands with a fresh towel or a single-use paper towel.</p>	
Material: Polypropylene (PP). <p>Disposal: According to local regulations</p>	
 This symbol indicates that the packaging contains products intended to come in contact with food according to regulation 1935/2004.	
 This symbol indicates to keep the device away from sunlight.
